

Language Access Program

MCHC is looking to hire independent contractors who would like to support our mission and ensure that families in Chester County have the resources to *Start Healthy, Stay Healthy and Succeed in School*.

Use your linguistics and language background to become a Language Access Interpreter and Translator (LAIT). MCHC Language Access Interpreters will apply their professional and personal experience to their work and helping families with limited English access to understand important information. Language fluency and cultural knowledge in either Spanish, Portuguese, or Guatemalan dialects including Mam and K'iche' are preferred, other languages also accepted.

Contractors can expect to receive continuing specialized training once onboard and opportunities to work with MCHC's case management staff and the Chester County Department of Children, Youth and Families.

Onsite interpreting: \$32 per hour
